

Advent Candles

Order your Advent candles now and get them in the first week of November.
Need an advent wreath? We represent all major church manufacturers and are competitively priced.
All sets include three purple and one pink candle. Other color combinations are available.
To make candles last longer, use candle followers - the brass rings that fit over the top of the candle.
Followers are a one-time investment and can be used year after year.
Candles are available in stearic wax or 51% beeswax.
